

# Safer Neighbourhood Team Base

## What are Safer Neighbourhood Teams

Barnsley's **Safer Neighbourhood Team (SNT)** is a partnership between the **South Yorkshire Police** and **Barnsley Metropolitan Borough Council (BMBC)**, with the aim of providing specific solutions to areas that suffer from anti social behaviour. The SNT also deal with low level crime. They were formerly known as Local Partnership Teams (LPT) A Police Inspector, a Sergeant and a Barnsley Metropolitan Borough Council (BMBC) Tasking Officer jointly manage the Kendray-Worsbrough SNT. Police Constables, a Police Community Support Officer and Impact Wardens make up the rest of the team.

South Yorkshire Police Authority invested around £750,000 to build this pioneering SNT base in Kendray. BMBC provided the land on Cypress Road opposite the top of Farm Road, as its contribution to the project. The base is the first of its kind to be built specifically for a SNT, adding to the group's achievements, which has already won national awards for its successful way of working in partnership.

The base houses the Kendray and Worsbrough SNT and allows resources to be situated in the communities that they serve. Around 20 people work from the base there is also space for staff from other agencies, such as **Berneslai Homes** to work in conjunction with the SNT on various issues.
