

New Houses

Who is doing the work?

Haslam Homes is an award winning house building company and part of a highly successful £350 million turnover group. They specialise in providing affordable, yet highly desirable homes, predominately aimed at the first and second time buyer market throughout the Midlands and North of England. For more information about the company please visit www.haslamhomes.co.uk

Kendray Updates

Haslam Homes have begun building 44 new family homes for sale on Cypress Road to the rear of the Ashfield Medical Centre.

(This information was correct in April 2008)

All houses in Tanglewood Court have now been built.

(This information was correct in March 2008)

In September 2004 Haslam Homes began a 4 year programme to build 180 new 2, 3 & 4 bedroom houses for sale, on their Tanglewood Court development which is near the Central Park. The site is selling well, with many new occupants already enjoying their dream Haslam Home, and reservations placed on numerous other plots. Prices start at £104,995.
